

Increase your OPPORTUNITIES with Business Access In-Home Learning Program!

Who can participate in the In-Home Learning Program with Business Access?

You must currently be receiving cash benefits and be required to participate in work program activities to be considered for this program. Your TAF Case Manager will determine your eligibility and assist you with a referral.

Why would I want to get involved with the In-Home Learning Program?

- **Online Learning**-The In-Home Learning Program has thousands of courses you can take in the comfort of your own home any time day or night.
- **Updated Catalog** - The In-Home Learning Program has an updated course catalog that includes the new Microsoft 2007 training.
- **Communication**-Business Access will provide the tools you need to take training online, including a laptop computer, internet connectivity, and 12 months of access to our online training.
- **Ownership**-Once you have met your Graduation requirements you may be eligible to earn ownership of the laptop and all of its accessories!
